Professional development of staff and
volunteers in natural and cultural heritage sites

Heritage Interpretation

Improve your visitors' experience of heritage by connecting them with the unique aspects of your site, making it meaningful and relating it to their knowledge, interests and feelings.

Are you interested in developing your competences in heritage interpretation and to discover the power of interpretive techniques and personal meaning making?

Then go to www.interpretingheritage.eu and find in-service training material, networking and course opportunities for your professional development in interpretation.

InHerit is a LLP Grundtvig project.

This project has been funded with support from the European Commission. This communication reflects the views only of the InHerit consortium, and the Commission cannot be held responsible for any use which may be made of the information therein.
